Lone Worker Security Awareness Training

This Special Projects Group fully online, CPD Accredited, Lone Working Awareness Dealing with Conflict course has been provided in Strategic Partnership with VIRSEC Ltd.

The course is designed to assist in raising the awareness of the potential dangers that are associated with persons working alone, often in isolated environments, such as care workers, social workers, emergency responders, etc. and the practical steps that can be taken to assist in the mitigation and control the associated risks of a security-related incident.

About the Course

It is estimated that there are between 123 and 205 assaults every day on lone workers working within the United Kingdom alone.

Under the Health & Safety Executive [HSE], your employer has specific duties under a 'duty of care' to protect you, and to provide you with support and relevant training, maintaining regular contact with you, and assisting in preventing work-related violence.
